

Federal Poverty Guidelines Used in the Determination of Poverty Exemptions for 2024

Local governing bodies are required to adopt guidelines that set income levels for their poverty guidelines and those income levels **shall not be set lower** by a city or township than the federal poverty guidelines updated annually by the U.S.

Department of Health and Human Services. This means, for example, that the income level for a household of 3 persons shall not be set lower than \$24,860 which is the amount shown on the following chart for a family of 3 persons. The income level for a family of 3 persons may be set higher than \$24,860. Following are the federal poverty guidelines for use in setting poverty exemption guidelines for 2024 assessments:
